For the first time ever, KMB & BCSEM are co-hosting our respective Spring Meetings! Our joint “Celebrate Spring!” program will focus on the Great American Clean-Up and local recycling and environmental greening activities to energize the April 1 – May 31 Clean-Up Days. This unique program will feature vendor booths and speakers from recycling and environmental greening companies to engage us and to sharpen our common focus of encouraging and facilitating volunteer clean-up events in our regions of Michigan. We hope to see you all there! Think Spring!
