

Soup's On

Keep Michigan Beautiful, Inc. is collaborating with Motown Soup in a win/win fundraising program for both organizations which are volunteer driven non-profits.

By selling Motown Soup we are helping them raise monies for Michigan charities that are food banks, food pantries, homeless shelters and soup kitchens. All of their profits go to these causes. In the past 12 years they have raised over \$750,000. This means your purchase does more than nourish your body, it also nourishes the hungry of Michigan.

Keep Michigan Beautiful has been in service to the state of Michigan since 1962 promoting the causes of beautification, recycling and anti-littering. We are the only organization sanctioned by the state that recognizes and honors beautification programs and activities as well as promotes and educate the public in all aspects of beautification. KMB is working to improve the quality of life for the residents of Michigan.
